

AMY BIRKENSTAMM, RN, CANS

DR. DAVID SAADAT, MD

A UNIQUE CADAVER EXPERIENCE WITH TWO OF THE BEST IN AESTHETICS

Inject. Dissect. Repeat.

You're invited to an intimate, hands-on cadaver lab on December 4th, 2021 in Yardley, Pennsylvania. Join us for an interactive, full day experience with our hosts, Dr. David Saadat, MD and Amy Birkenstamm, RN, CANS. Enjoy master and small group guided hands-on dissections,

cadaver injections, live injections and so much more. Attendees will be able to inject, dissect and repeat throughout the course with the help of our esteemed faculty. Each cadaver will have no more than four attendees per station in order to encourage a high-touch environment.

12/4 Schedule:

8am-9am: Breakfast & Registration
9am: Full Facial Anatomy & Rheology Overview
10am-12:30pm Hands-On Cadaver Lab

12:30pm-1pm: Catered Lunch
1pm-5pm: Cadaver Lab With Live Injections
7:30pm: Cocktail & Dinner Reception
